City of San Jose
Bridge Housing
Community

Operated by

HomeFirst Services
of Santa Clara County

1410 Mabury Road

San Jose, CA 95133

Purpose

HomeFirst's Bridge Housing (BHC) Program provides safe and secure interim housing to eligible individuals enrolled in Santa Clara County and City of San Jose Rapid Rehousing Programs.

Participants receive an array of on-site supportive services and access to resources needed to build a lifestyle of self-sufficiency.

Private Community

The BHC does not offer drop-in services. The services on-site are for the sole use of our BHC program participants.

For linkage to alternative resources, please use our 24/7 HomeFirst Homeless Helpline 408-510-7600 or email: outreach@homefirstsc.org

Amenities

Each cabin includes:

- Single bed
- Desk
- Personal item storage
- Heating & cooling

Shared on-site facilities:

- Full kitchen
