

MISSION:

To support our military veterans in obtaining employment through a holistic approach provided by our all-veteran staff.

VISION:

To ensure that every veteran in Silicon Valley has access to the services necessary to improve their quality of life and that these veterans have the opportunity to raise their standard of living through the power of employment.

OUR APPROACH:

The VIP program began in 2007 and has successfully placed over 400 veterans into employment. We partner with businesses and organizations to ensure our military service members get direct access to great jobs and resources. Our holistic approach also supports housing, transportation, mental health and provides job training opportunities.
