Chapter 1 - Program Overview

What is UPLIFT?

The Universal Pass for Life Improvement From Transportation (UPLIFT) Program provides quarterly Valley Transportation Authority (VTA) transit passes to adults experiencing homelessness or who are at risk of homelessness. The goal of UPLIFT is to help clients get housing or employment by improving access to public transit.

The program is a partnership between:

---

Eligibility Requirements

- Client must be an adult (18 years or older)
- Client must be homeless or seriously at risk of losing their housing due to lack of transportation
- Client must be currently receiving case management from your agency

Eligibility questions will appear in HMIS when you request an UPLIFT transit pass!
Allocations

- Every agency that participates in UPLIFT has an allocation (the number of transit passes reserved for that agency at the beginning of every quarter)

- Check with your agency’s main UPLIFT contact to find out your agency’s allocation

Timeline for Requesting UPLIFT Passes

- **2 weeks before the start of the quarter:** you can start requesting transit passes for the quarter.

- **Until the end of the first month of the quarter:** agencies may make requests up to their total allocation. If you reach your allocation within this time, no more passes will be issued to your agency until the start of the next month.

- **In the second and third month of the quarter:** any unused allocations will be pooled. Any agency (including agencies who have already used their full allocation) may request passes on a first-come, first-served basis until all passes have been distributed.
**Example: 2017 Schedule**

**Please Note:**
- Requests will be filled until all UPLIFT passes have been distributed.
- The First Date to Request UPLIFT varies from year to year. Please check the most recent UPLIFT calendar distributed by OSH for the correct dates.

**Receiving UPLIFT**

UPLIFT passes are processed on a regular basis by the UPLIFT Administrator at the Office of Supportive Housing (OSH)

The UPLIFT Administrator will email each agency’s UPLIFT Point of Contact when badges and stickers are ready for pick-up at the OSH office

If a request has not been filled within 5 business days, please email the UPLIFT Administrator at **UPLIFT@hhs.sccgov.org**

You can monitor your UPLIFT request in HMIS by using **Monitor Status of UPLIFT Request** (Chapter 4) process.

*Replacement passes will only be given out during the 2nd and 3rd months of the quarter.* Clients will not be able to have their pass replaced more than once per quarter, and the County reserves the right to not replace a client’s badge if they see fit.
Client Refuses to Sign the Release of Information (ROI)

If a client refuses to sign the consent to have their data entered into HMIS, this should not prohibit them from receiving UPLIFT.

- Create the client anonymously – See SCC HMIS Client Consent Training
- Create UPLIFT servicer referral.
- Send client’s picture and name to UPLIFT@hhs.sccgov.org, confirming that the client is 18 years or older.
- Contact UPLIFT Administrator for instructions that should be used rarely and as a last resort.

We highly encourage clients to complete the VI-SPDAT. If the client refuses to complete the VI-SPDAT, they can still receive UPLIFT.

Do NOT create a VI-SPDAT and enter “client refused” for every VI-SPDAT question.

If the client did not give consent to share their photo, follow the normal steps to request a pass, but do NOT upload their photo.

Email client’s picture to UPLIFT@hhs.sccgov.org

- If the client did not give consent to share his/her date of birth
  Enter 01/01/xxxx in HMIS, where xxxx is the year the client was born
